STATEMENT OF PURPOSE

I am currently completing my residency in anesthesiology at the University of Pennsylvania. I have extensive experience in pre-hospital medical care and a dedication to learning, teaching, and leading through my diverse interests and talents. Providing emergency medical care in a high-volume urban environment has given me a deeper understanding of modern healthcare challenges. My current focus is on educating myself as an anesthesiologist and gaining exposure to various subspecialties. I hope to gain experience that will serve me as I transition to medical practice as a faculty member of an academic pediatric anesthesiology program.

EDUCATION AND TRAINING

Hospital of the University of Pennsylvania, Anesthesiology Residency 2024–2028
Internship: Categorical Anesthesiology Residency, Penn Presbyterian Medical Center.
ABA Basic: Pass. CA-1 ITE: 42.
Member, Healthcare Leadership in Quality (HLQ) Residency Track, informatics concentration.
Member, Penn Anesthesia Quality & Safety Implementation Group (QSIG).

Philadelphia College of Osteopathic Medicine, Doctor of Osteopathic Medicine 2020–2024
Step 1: Pass. Level 1: Pass. Step 2 CK: 274. Level 2 CE: 905. Level 3: 999.
DO Admissions Committee member; Peer Tutor; PCOM Ambassador; PASS Mentor; executive board member of Emergency Medicine Club, Wilderness Medicine Club, Health Career Collaborative.

Delaware Technical Community College, post-baccalaureate coursework 2019
President's List, Academic Excellence Award

Franklin & Marshall College, Bachelor of Arts in Music 2010–2014
Cum Laude, Departmental Honors in Music, Honors List (5x), Dean's List
Independent Study: "Conducting Performance of Beethoven's No. 3, Yardumian's *Armenian Suite*."

Lancaster General College of Nursing & Health Sciences, Emergency Medical Technician 2010
Class Clinician Award

PROFESSIONAL LICENSES AND AFFILIATIONS

Pennsylvania Board of Osteopathic Medicine, Graduate Osteopathic Trainee, License # OT023733

National Provider Identifier (NPI), # 1710747589

ACLS and BLS Provider, American Heart Association

Emergency Medical Technician (EMT), Pennsylvania Department of Health

American Society of Anesthesiologists (ASA), member

American Osteopathic College of Anesthesiologists (AOCA), member

Society for Pediatric Anesthesia, member

Pennsylvania Society of Anesthesiologists, member

Physician SmartUser Badge, Epic Systems (In progress)

Basic Certificate in Quality and Safety, Institute for Healthcare Improvement

WORK EXPERIENCE

MedSchoolCoach, Remote 2019–Present
Assistant Director of Medical School Tutoring, Physician Advisor
Advised medical school and residency applicants in all aspects of the application process.
Tutored students preparing to take the MCAT, USMLE, and COMLEX exams.

Planned and provided lessons, identified areas for student improvement, coached critical reasoning.

Saint Francis Hospital, Wilmington, DE 2014–2020

Field Training Officer, Emergency Medical Technician III

Emergency ambulance care in a busy metropolitan system, operating as acting supervisor of 8 units.

Full-time employee. Precepted over 20 new EMTs through a three-month field internship program.

Taught departmental and national courses and proctored oral and practical boards.

COMMUNITY SERVICE

Marple Township Ambulance Corps, Broomall, PA 2011–Present

Secretary of the Board, Field Training Officer

Volunteered for over 3,000 hours at local ambulance service covering suburban Philadelphia.

As a board member, manage budget, teach public CPR courses, and assist with public outreach.

Armenian Missionary Association of America, Armenia 2022–Present

Annual medical service project to operate a primary care clinic in multiple rural villages.

Franklin & Marshall College Emergency Medical Services, Lancaster, PA 2011–2014

Director of Emergency Medical Services, Chief of Operations

Supervised 25 providers, developed response policy with local 9-1-1 authorities, procured equipment.

Managed education, personnel issues, and retention, and created and proposed budget.

HONORS AND AWARDS

Citation of Recognition, Pennsylvania House of Representatives 2019, 2026

Awarded in recognition of volunteer service to local ambulance corps.

Student Memorial Award, Philadelphia College of Osteopathic Medicine 2024

Awarded to the graduate who has attained the highest scholastic average in didactic study.

Mason W. Pressly & O. J. Snyder Scholarship, PCOM Board of Trustees 2020–2024

Full tuition scholarship awarded for clinical excellence and academic merit.

Gold Award, Silver Award (2x), AACOM COSGP TOUCH volunteer service program 2021, 2022, 2023

Performed over 200 hours of volunteer service to the local community.

Life Member, Exceptional Duty, Marple Township Ambulance Corps 2015, 2023

Given for significant hours dedicated in service to the organization, with over 10 years of service.

Albert D'Alonzo, DO '56, Endowed Memorial Award 2022

Selected by PCOM Alumni Association to receive an award to fund a medical service project.

Gold Award, Silver Award, PCOM Cultural Competency Program 2021, 2022

Attended events designed to increase our cultural awareness as future physicians.

Unit Citation (4x), Saint Francis Healthcare Emergency Medical Services 2014, 2017, 2017, 2018

Given for outstanding patient care in extremely challenging circumstances.

Individual Citation (3x), New Castle County Department of Public Safety 2015, 2016, 2017

Given for the successful pre-hospital resuscitation and discharge of a cardiac arrest patient.

Winner, Pennsylvania Department of Health, HeartRescue Project 2014

Created original video used to educate state EMTs in new “pit crew” resuscitation techniques.

Nolt Music Award, Franklin & Marshall College 2014

Given by the music department to recognize outstanding graduates and support original research.

Marshall Fellow, Franklin & Marshall College 2010–2014

Four-year research funding granted to pursue original projects and studies.

LANGUAGES

Native: English, Armenian.

SKILLS, HOBBIES, AND INTERESTS

My travels to over 25 countries have increased my appreciation for many distinct cultures and traditions. I enjoy many outdoor activities such as kayaking, hiking, and swimming. When I am not outside, I have developed skills in computer programming, have competed on robotics teams at an international level, and play multiple musical instruments. As a first generation American and U.S. citizen, my Armenian ethnicity is particularly important to me, and I continuously strive to bring my Armenian culture to my everyday life.
